Allaire Country Day Summer Camp 2012

Thank you for your interest in Allaire Country Day Summer Camp.

Our summer camp offers children the opportunity to engage in recreational programming while being supervised by an experienced, mature, qualified staff.

Allaire Country Day Summer Camp is located at the beautiful GoodSports USA Complex. This 11 acre facility features 50,000 square feet of indoor activities including state-of-the-art astro turf playing fields, multi-sport tile flooring arenas, as well as video entertainment and movie rooms. Of course, all of this is climate controlled to provide a comfortable temperature for all camper activities.

Our outdoor facilities include an olympic-size swimming pool (3 feet - 6 feet) as well as a kiddie pool for our younger campers.

This wonderful facility, with its indoor and outdoor accompaniments, allows us to provide a cost effective, quality recreation and sports enhanced summer day camp for families to enjoy in a clean, safe and fun environment.

The Allaire Country Day Summer Camp program offers a variety of scheduling options for both working and non-working parents at incredibly affordable prices. Camp is open from 7am until 6pm Monday through Friday and normal camp hours are 9am until 4pm. Camp is available for ages 2-1/2 through 13. All campers must be potty trained.

All campers will have the option of staying at our gorgeous complex daily, where they will partake in organized activity such as swimming, soccer, volleyball, dodge ball, arts and crafts, science projects, and more. Campers also may travel to some of our many day trip destinations including but not limited to beaches, museums, pro baseball games, theme parks and many more.

Please review all the information in this packet and call us with any questions or schedule an appointment to take a tour of our facility.

As always our staff is anxious to get started with a full range of fun activities for your children.
